

Shred for Safety Day is Saturday, May 5, 2018

Are you afraid that you may someday become a victim of Identity Theft? This occurs when a thief obtains and uses someone's personal information to open new accounts and apply for loans in the victims' name.

Memphis City Employees Credit Union wants to make sure you're not putting yourself at risk. One of the most common methods thieves use to obtain personal information is by searching through someone's trash.

Credit card statements - shred. Old paycheck stubs - shred. Bank statements and canceled checks - shred. ATM, debit and credit card receipts - shred. Expired insurance policies and claims information - shred. Tax information and supporting documents past the statute of limitations - Shred! Shred! Shred!

Because the safest way to discard documents is to shred them, **Memphis City Employees Credit Union** will be holding a free Shred for Safety day at our Whitehaven parking lot on Saturday morning, May 5 from 9:00 to 12:30.

We are happy to provide this shred day service to our members for free! Shred-It[®], the world's leading document destruction and recycling company, will be onsite to shred your documents. In order for us to shred for everyone who shows up, please limit what you bring to shred to 5 boxes.

BONUS: We will be serving free hamburgers and hotdogs to all who attend this shred day event!
